• Suggested wedding photography list

- This guide offers assistance in planning photographs from your big day. (But remember the shots taken and the suggestions made depend on which Wedding Package you go for, and in some instances, the permission of the Registrar or Officiating Minister may be required, and there might be limitation to the position of the photographer).

While pictures of the newlyweds walking back up the aisle and gliding round the dance floor (if applicable) during their first dance are a nice, there are many additional shots you can consider. This list will ensure your wedding album is bursting with fabulous photos of your big day...
